To Whom It May Concern:

Since 2004, we have worked with John Hamaker of Hamaker Building and Remodeling, Inc., successfully completing various commercial, new construction residences and general remodeling projects throughout this time.

John demonstrates a positive attitude and innovative spirit to embrace all of his projects. He communicates his expectations to us as a subcontractor and encourages collaboration.

I would highly recommend Hamaker Building and Remodeling, Inc. for all of your future construction projects.

Sincerely,
